

Reed Place Brick & Stucko Color schemes by floor plan and lot number.

Steps to finding the color scheme and related information for your Reed Place home {please direct questions to the Architectural Control Committee member on your street}.

- See the Reed Place map on page 2 to determine your lot number and floor plan.
- Go to page 3 for brick & mortar colors by lot number.
- For brick homes, find brick color schemes on page 4.
- For stucco homes, find stucco color schemes on page 5.

FOR PAINT

Contact Duron for a dealer near you: www.duron.com.

Contact Sherwin Williams (paint #s beginning with SW) for a dealer near you:
www.sherwin-williams.com

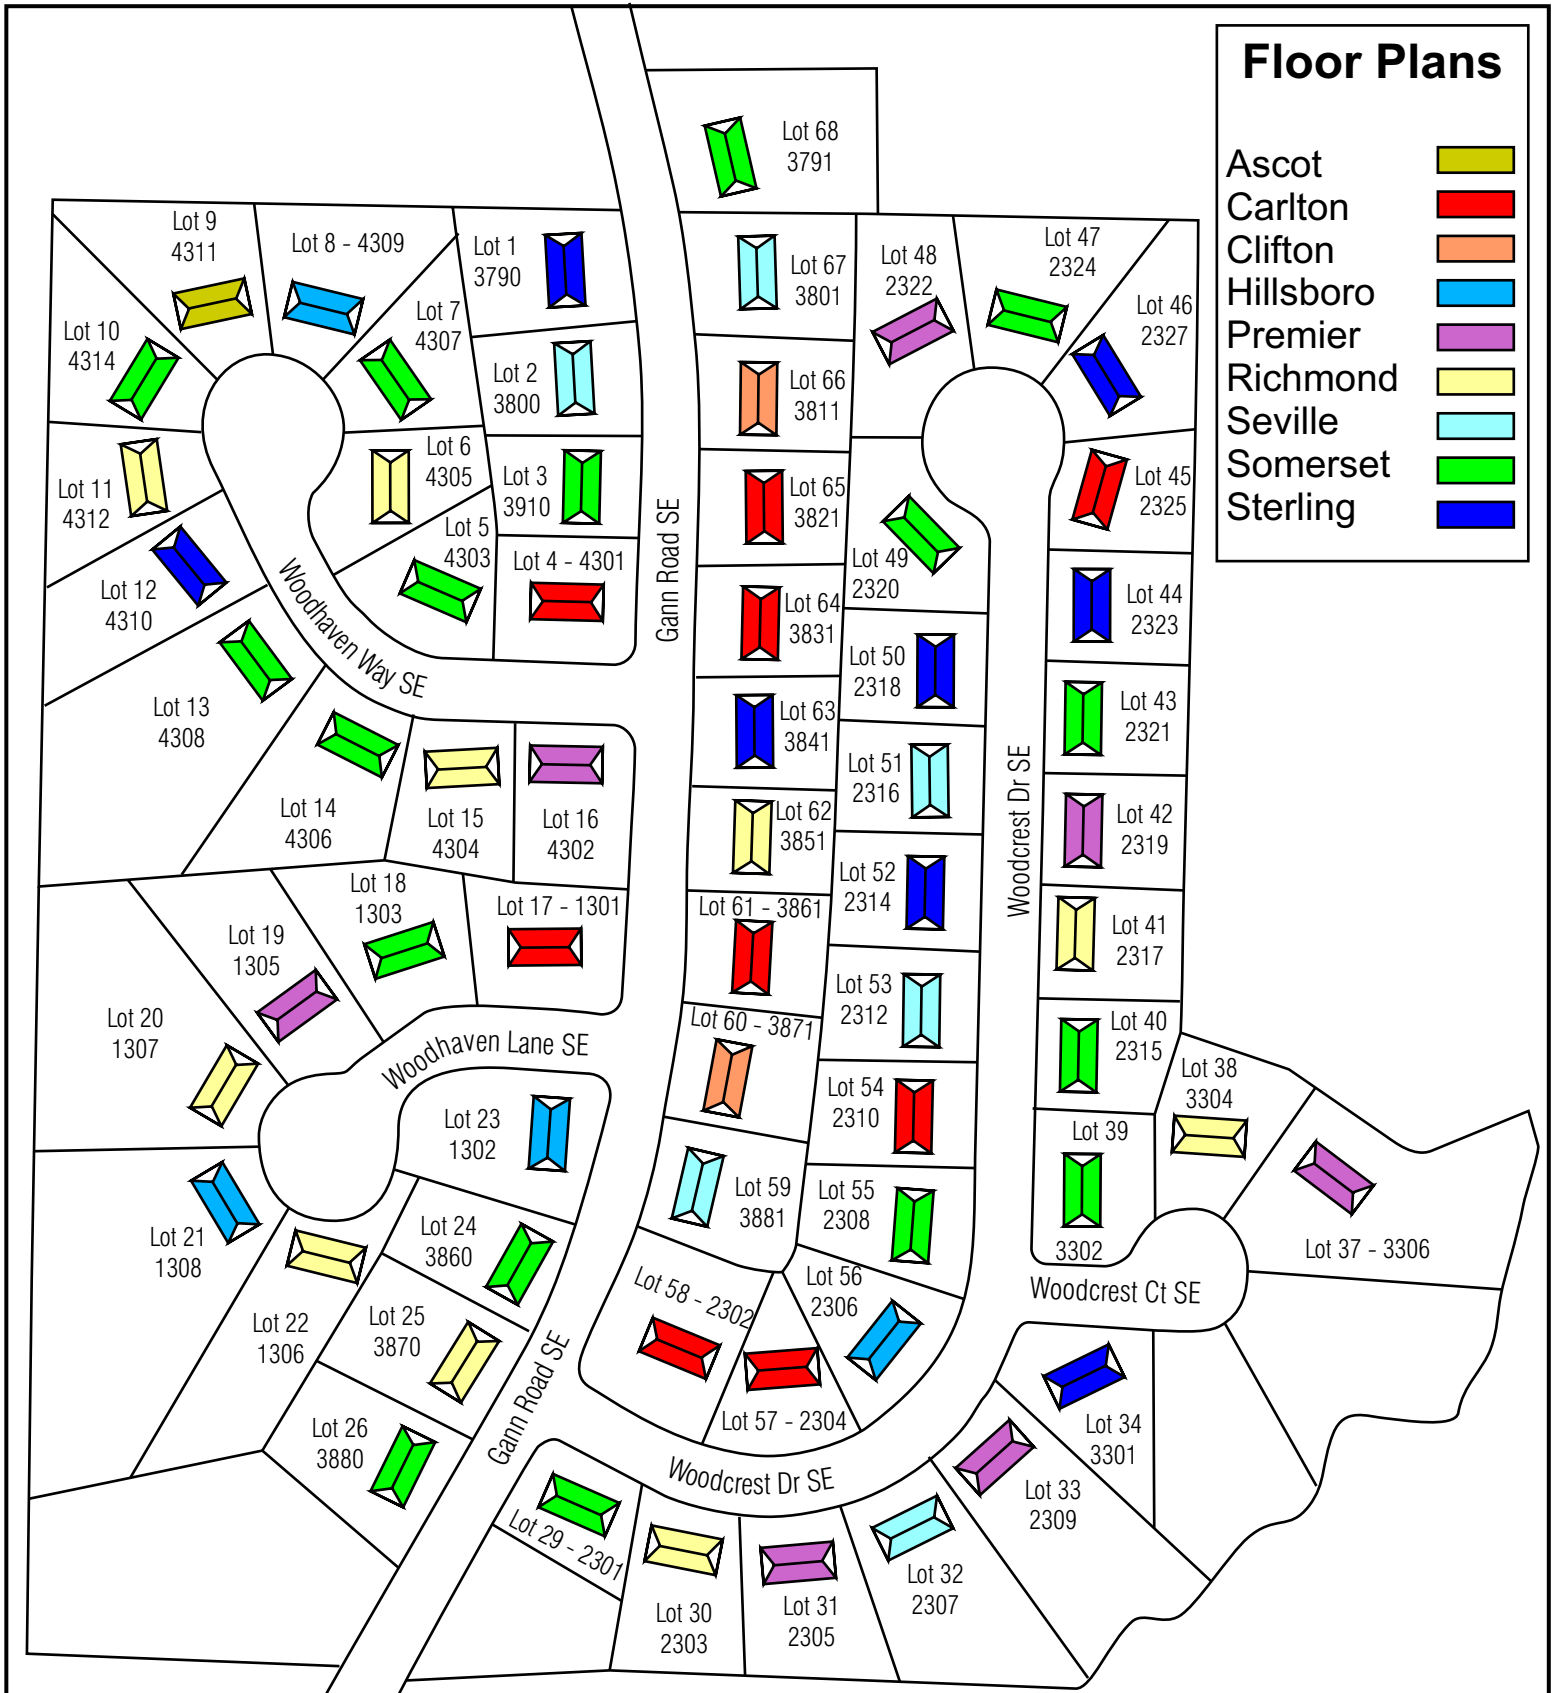

Other resources: Walmart.com. ~ Lowes.com ~ Homedepot.com

Be sure to ask if the paint store offers a Homeowners Discount.

NOTE: Regrettably, some information regarding paint color numbers may be out dated. Any major paint resource should be able to help with paint numbers, current paint matches, etc. Also, information available for stucco homes is not as detailed as for brick homes. Please contact an ACC member if you need help.

ALL information herein is deemed accurate but is not warranted.

Reed Place Brick Color Selections

You have 3 siding color schemes with each brick color and each scheme has 2 accent colors for the shutters. You can choose any siding scheme you wish for your brick color but we don't want the home next door to be the same scheme to avoid a too uniform neighborhood. If you wish to vary from the selections below prior ACC approval must be in writing before the painting is started. All paints #s are Duron except the ones beginning with SW which is Sherwin Williams.

BRICK	SIDING	TRIM	ACCENT I	ACCENT II
